TOLPUDDLE FESTIVAL CAMPING

You can arrive from noon on Friday and stay until Monday morning of the Festival weekend. Please try to arrive in daylight hours. Volunteer stewards will be on the gate to greet you up to 10pm on Friday. When you arrive you will be asked to show:

- ◆ wristbands for each person
- ◆ tent or camper van tag

Space is very limited and the field is also used for parking for campers and disabled parking so we need you to squeeze up please. The whole area is on a slight slope.

There are no allocated pitches so if you want to be in a group please arrive together. We try to allocate a family camping area.

Display the Camping Tag on your tent so that stewards can check. No refunds after 30th June and any cancellations will incur an admin charge of £5.

Hot showers and plenty of toilets are on site. Chemical disposal tank will be available for camper van users.

Parking

Due to space and safety you will not be able to take your car into the camping area. It is not far to carry your tent and stuff. Some trolleys and wheelbarrows will be available and if you need special help please let us know and we can ask our volunteer stewards to assist. £15 parking for all weekend.

Moving your car on Sunday

If you leave the car park on Sunday the space may be gone when you get back. You will not be able to reserve it. You will be directed to the Festival Car Park. The parking pass covers this.

No caravans

Sorry, but this is a condition of us using the land.

Dogs

Dogs are allowed but please keep them under control and on a lead and clean up after them.

No kites

Sorry! The site is crossed by a number of high voltage lines and kites cannot be flown in safety.

Family friendly

It is a very friendly event and attracts a diverse community including many families. This means that while some want to sleep others will want to party! Solidarity is about respect and care.

Please remember that we are guests in a normally quiet village. The TUC Cottages are homes to retired agricultural workers. They look forward to the Festival each year but please keep the late night noise down. We would suggest a quiet time in

the camping area from 11.30pm although you are welcome to stay up later in the marquee and bar area. The music stops at midnight.

The whole style of the Festival is informal and friendly and we want to keep it that way. We will

not hesitate from ejecting anti-social campers and barring them from future festivals.

You may be camping next to a field of ripe crops, so be careful with bbqs and no open fires.

Food

Caterers, including volunteers from the local village, will be selling hot breakfasts and a range of food throughout the weekend.

Help

There will be stewards about who are helping to organise the event and if you need advice please ask. The whole event relies a lot on volunteers and as you can imagine things get very busy for those involved. We will do our best to help you if we can.

The Festival flier includes a map and directions to the site. There will be a lot going on even in the small space. The programme is bound to change with other activities being added.

Check out www.tolpuddlemartyrs.org.uk and notice boards when you arrive to see the latest information.

For other information contact Dorchester Tourist Information on 01305 267992

Green Tolpuddle

We are trying hard to make the Festival more environmentally friendly. Please

reduce waste and look out for the recycling points around the site.

We will try to keep people informed of the latest news of events and activities in the programme by email, Twitter and Facebook.
